Description

Denali, a premier Sunterra Outdoor #1801 BBQ Smoker boast up to 936 square inches of cooking surface. This BBQ Smoker comes loaded with features like fully welded 3/16" gauge steel construction, 1200-degree heat-resistant paint with UV protection and durable steel shelves. Superbly crafted, features such as the warming plate, and heavy-duty cooking and charcoal grates are included, not add-ons as with many companies. All of the features combine with the well-designed damper/draft control system to produce excellent results whether you are a new or seasoned grill master.

For any type of gathering, the Sunterra Outdoor Denali #1801 wood and charcoal burning smoker will give a tremendous experience and results for any cooking event!
