Description

A NSF package upgrade will need to be purchased to become NSF Certified.

The following Santa Maria grill is presented with both our **standard height windbreak and newly offered Stainless Steel Flywheel assembly** as an upgrade. The grill, identical to our 3601-36DSI model, comprises our standard 12" height windbreak and a stainless steel flywheel, brake, sprocket, and spindle. Flywheel styling offered in a 6 fan design.

Stainless V-channel grates are also available but not presented. Pricing will differ by size of grill. For a quote, please call 877-972-2628 ext. 1 or email [This email address is being protected from spambots. You need JavaScript enabled to view it.](#)
