Description

A NSF package upgrade will need to be purchased to become NSF Certified.

The following Santa Maria grill is presented with both our standard height windbreak and a newly crafted Paella setup. Pricing reflects windbreak for this unit. **The Paella kit is an upgrade.** The Paella setup drops onto the framework of our V-channel bracket support braces. Simply lift off the grates, and drop in the paella pan braces onto the support brackets. For a quote, please call 877-972-2628, ext. 1 or email [This email address is being protected from spambots.
