Description

Our Santa Maria Oven cart combination extends beyond traditional grilling experiences. Add a rotisserie, and the cooking skill gets even better! In a portable design, you have the convenience of roasting Pig, Lamb or Goat. Factor in versatility... endless Chickens, Turkeys, Pork Ribs, Pork Shoulders, are few of the wide array of meats roasted, grilled and rotisserie cooked.

All of our Santa Maria oven combo's are heavy duty in construction. Made with 3/16" gauge steel and combined with stainless components for long-lasting and hassle free barbecue. All styles offered in single grate design feature hand cranks that raises or lowers the grates above the coals. Sunterra Outdoor and the BBQ Pit Boys Santa Maria oven design is for the BBQ Grill master that entertains and enjoys cooking on equipment that yields remarkable results.

This grill features a 12" High Windbreak, which primary benefit will keep more ambient temperature around the grilling area, resulting even more heat in the oven below.
